AZ CORP COMMISSION  
DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF  
TACNA WATER MANAGEMENT  
COMPANY FOR APPROVAL OF A RATE  
INCREASE.

DOCKET NO. W-01344A-15-0251

**STAFF'S MOTION FOR SUSPENSION  
OF THE TIME CLOCK**

The Utilities Division ("Staff") of the Arizona Corporation Commission ("Commission") hereby moves that the Administrative Law Judge ("ALJ") suspend the time clock in this matter. Additionally Staff would request the AJL vacate the current filing deadline for the Staff Report.

On July 8, 2015, Tacna Water Management Company ("Tacna" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for a rate increase.

On October 8, 2015, the Commission's Staff docketed its Letter of Sufficiency stating that the Company's application met the requirements of Arizona Administrative Code ("A.A.C.") R14-2-103, and classifying Tacna as a Class E Utility.

On December 4, 2015, Staff filed a Request for an Extension of Time to File Staff Report. Staff requested that, due to the complexity of the issues in the matter, Staff be given until February 1, 2016, to file the Staff Report. Staff noted it had contacted the Interim Manager for the Company about the extension and Tacna had no objection.

On December 7, 2015, the ALJ issued a Procedural Order that granted the Request and extended the time clock in this matter to April 29, 2016.

Due to continuing issues arising from the death of Tacna's owner in resolving the ownership problems; Staff feels it would be best to suspend the time clock until these matters can be resolved. Staff is unable to predict when these issues might be resolved making it difficult to set a date for filing its Staff Report. Staff would file an update every 30 days on the status of the case until the Company has resolved its issues sufficiently for a Staff Report to be completed.

1 Staff spoke with Interim Manager Nancy Miller and she is in agreement with Staff's position.

2 RESPECTFULLY SUBMITTED this 29<sup>th</sup> day of January, 2016.
